

# Certificate of RoHS and REACH Compliance For Powerside Current Transformers

## ROHS 2

Based on information obtained from our component suppliers, this document certifies that Current Transformers sold by Powerside are compliant with the COMMISSION DELEGATED DIRECTIVE (EU) 2015/863 of 31 March 2015 on the restriction of the use of certain hazardous substances in electrical and electronics equipment (RoHS Directives).

## REACH

Based on information obtained from our component suppliers, this document also certifies that none of the above referenced Powerside products contain Substances of Very High Concern (SVHC) as listed by the European Chemicals Agency (ECHA) under the provisions of Regulation (EC) No. 1907/2006 of the European Parliament and of the council concerning the Registration, Evaluation, Authorization, and Restriction of Chemicals (REACH) per the ECHA 17/12/2014 and previous updates.

Please contact us if further explanation is required.
